## Part 3 Exclusions

### 3.1 Chemical, Bio-Chemical, Electromagnetical Weapons and Computer Risks

Optional Cover shall not cover the Assured for any liabilities, losses, expenses or costs directly or indirectly caused by or contributed to by or arising from

- 3.1.1 any chemical, biological, bio-chemical or electromagnetic weapon, or
- 3.1.2 the use or operation, as a means of inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus or process or any other electronic system.

### 3.2. Nuclear Risks

The Optional Cover shall not cover the Assured for any liabilities, losses, expenses or costs directly or indirectly caused by or contributed to by or arising from

- 3.2.1 ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel,
- 3.2.2 the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof,
- 3.2.3 any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter,
- 3.2.4 the radioactive, toxic, explosive or other hazardous or contaminating properties of any, radioactive matter;

other than liabilities, losses, costs or expenses arising out of the carriage of "excepted matter" (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made thereunder) as cargo in an insured vessel.

### 3.3. Five Powers War

The Optional Cover shall not cover the Assured in respect of those liabilities costs and expenses arising from the following:

- 3.3.1 the outbreak of war (whether there be a declaration of war or not) between any of the following countries: United Kingdom, United States of America, France, the Russian Federation, the People's Republic of China, or
- 3.3.2 requisition either for title or use or pre-emption.

### 3.4. Communicable Disease Exclusion Clause

- 3.4.1 Optional Cover shall not cover the Assured for any liabilities, losses, expenses or costs in excess of USD10,000,000 for one event in the event that the World Health Organization ('WHO') has determined an outbreak of a Communicable Disease to be a Public Health Emergency of International Concern (a 'Declared Communicable Disease') are excluded.

This exclusion in paragraph 1 above will not apply to any liability otherwise covered, where the liability directly arises from an identified instance of a transmission of a Declared Communicable Disease and where the Assured proves that identified instance of a transmission took place before the date of determination by the WHO of the Declared Communicable Disease.

- 3.4.2 However even if the requirements of paragraph 1 of this exclusion are met, no cover will be provided for any:
  - A. liability, cost or expense to identify, clean up, detoxify, remove, monitor, or test for the Declared Communicable Disease whether the measures are preventative or remedial;
  - B. liability for or loss, cost or expense arising out of any loss of revenue, loss of hire, business interruption, loss of market, delay or any indirect financial loss, howsoever described, as a result of the Declared Communicable Disease;
  - C. loss, damage, liability, cost or expense caused by or arising out of fear of or the threat of the Declared Communicable Disease.
- 3.4.3 For the purpose of this exclusion, Communicable Disease means any disease, known or unknown, which can be transmitted by means of any substance or agent from any organism to another organism where:
  - A. the substance or agent includes but is not limited to a virus, bacterium, parasite or other organism or any variation or mutation of any of the foregoing, whether deemed living or not, and
  - B. the method of transmission, whether direct or indirect, includes but is not limited to human touch or contact, airborne transmission, bodily fluid transmission, transmission to or from or via any solid object or surface or liquid or gas, and
  - C. the disease, substance or agent may, acting alone or in conjunction with other co-morbidities, conditions, genetic susceptibilities, or with the human immune system, cause death, illness or bodily harm or temporarily or permanently impair human physical or mental health or adversely affect the value of or safe use of property of any kind.
- 3.4.4 This exclusion shall not extend to cover any liability which would not have been covered hereunder had this exclusion not been included.

## Part 4 War risks cancellation and automatic termination

- 4.1** The Optional Cover in respect of War Risks may be cancelled by either the Assured or the Association giving 7 days' notice. Such cancellation shall become effective on the expiry of 7 days from 24:00:00 hours GMT on the day on which notice of cancellation is issued. However, the Association agrees to reinstate this Optional Cover subject to reaching agreement with the Assured prior to the expiry of the notice period as to any new premium terms conditions and warranties that are to apply.
- 4.2** Whether or not such notice of cancellation has been given this insurance shall terminate automatically in the following circumstances
- 4.2.1 the outbreak of war (whether there be a declaration of war or not) between any of the following countries: United Kingdom, United States of America, France, the Russian Federation, the People's Republic of China
  - 4.2.2 in the event of the vessel being requisitioned either for title or use.
- 4.3** The Optional Cover in respect of the War Risks shall not become effective if prior to the intended time of commencement of insurance any event has occurred which would have automatically terminated cover under the provisions of this Clause.

## Part 5 Law and jurisdiction
