Notes

Note 1 Accounting Policy

The condensed interim financial report has been prepared according to regulations for Norwegian Insurance Companies and the Accouting Standard IAS 34 Interim financial reporting. Application of IAS 34 means that the report is limited compared to the annual financial statement. Accordingly this report is to be read in conjunction with the Annual Report as of 20 February 2023. IFRS 9 Financial instruments is mandatory for the Association from the accounting year starting 21. February 2023. The nine-month accounts for 2023/24 are presented in accordance with IFRS 9, resulting in a larger share of the investment result classified as Other income and expenses (OCI).

The Financial Supervisory Authorities of Norway has approved the use of USD as functional currency for the Association, hence the interim financial statement is presented in USD. These sets of USD accounts are based on the official Norwegian accounts, but some reclassifications and modifications have been made in order to make the accounts comparable to the accounts of the other P&I clubs in the International Group. Refer to the Annual Report as of 20 February 2024 for further details.

The interim report shows the consolidated accounts for Assuranceforeningen Skuld (Gjensidig). The three-month statutory accounts for Assuranceforeningen Skuld (Gjensidig) ended with a positive result of USD 18.7 million.

The interim report is unaudited.
